Greetings,

I am very thankful that my family has had the privilege of getting to know Jeremy Houck and his family over the past five years he has served as the preacher at Park Central Church of Christ. My wife, Kim, and I have been fortunate to know him both as a preacher and a friend.

In the role of a preacher I really enjoy how he effectively connects with each group of the congregation he speaks to with his enthusiastic sermons, children's sermons, and lessons with the youth class. He always is looking for ways to bring the congregation closer to the community – many of his ideas have taken us out of our comfort zones, but once there we have found the reward of reaching out.

In the role of a friend we have enjoyed getting to know and love his family. The role of Christ is very evident in his relationships with his wife and two sons. The relationship with Christ is also very evident in each of his sons, and they in turn share that with their own friends. We have a church small-group that meets together in his home on a weekly basis – there he shows Christian love to each member of the group on a weekly basis.

I feel that Jeremy would be an asset to any congregation that is fortunate to have him as a preacher, leader, and friend. Please feel free to contact me for any further information I may be able to provide.

Sincerely,

Jeff Ross
