Leading In Worship

Guidelines to Negotiate

Amos 3:3 says *"How can two walk together, unless they agree?"* With that thought there are some things we must agree on.

1. May I be the leader of this group?
2. Will we start on time? 7:05 (According to Weather Channel +, - 15 seconds)
3. Will we quit on time? 8:15
4. Will you let us know if you will be late or absent? Jeremy's phone numbers: office 000-0000; home 000-0000; cell 000-0000
5. Will we speak one at a time?
6. Do you want to have a rule that we will not make fun of what people say in this class?
7. Will we have a right to disagree with each other?
8. Will we have a right to all our feelings: the painful as well as the pleasant?
9. Would you be willing to tell what you like about this class, what is helpful and what is not helpful, and in this way give suggestions for improving this class?

Leading In Worship Agreed Upon Guidelines

Amos 3:3 says *"How can two walk together, unless they agree?"*

Here are some things that we have agreed on.

1. Jeremy Houck has the permission of the class to be the leader of this group.
2. We will start on time which is 7:05 pm. (The Weather Channel is the standard for our time +, - 15 seconds)
3. We will quit on time, which is 8:15 and Jeremy will make sure that this happens.
4. Since he is the leader I will let Jeremy know if I will be late or absent. Jeremy's phone numbers: office 000-000; home 000-0000; cell 000-0000
5. We will speak one at a time.
6. We will not make fun of what people say in this class.
7. We have a right to disagree with each other
8. We have a right to all our feelings: the painful as well as the pleasant.
9. I will be willing to tell Jeremy what I like about this class and what I do not like. I will tell what is helpful and what is not helpful. I will give suggestions for improving this class.
